Cardiovascular Imaging

Submit your session proposals

Dear All,

On behalf of the EuroEcho-Imaging Scientific Committee and EACVI President, Professor B. Popescu, FESC, we are delighted to report a record 3,973 participants, from 90 countries, attended EuroEcho-Imaging 2017!

Now it's time to start planning our next success. We are pleased to invite you to submit your session proposals by **15 January** for EuroEcho-Imaging 2018, taking place from 5 to 8 December in Milan, Italy.

Your contribution is invaluable for us to meet the challenge of creating an even greater programme for 2018.

[Submit your proposals](#)

Please note that not all proposals will be presented as submitted; some may be merged with other sessions or amended. However, the Programme Committee will carefully consider all submissions received. Thank you in advance for your input.

We take this opportunity to send you our best wishes for the Holiday Season and look forward to working with you in the New Year towards an outstanding congress.

The EuroEcho-Imaging Team

Our Diversity is Our Strength
