

			Poster
1	11	General	Effectiveness of nursing care in renal transplant Ender Alexander Beaujon Bonilla Hospital J.M Casal Ramos, Venezuela
2	12	General	Pregnancy in recipients of kidney transplantation: effects on mother and child Ender Alexander Beaujon Bonilla Hospital J.M Casal Ramos, Venezuela
3	13	Valvular	Outcomes of Mitral Valve Surgery for Mitral Stenosis Alqasem Al Mosa King Saud bin Abdulaziz University for Health Sciences (KSAU-HS), Saudi Arabia
4	23	Cardiac Evaluation	Extremely low birth weight twins with twin-to-twin transfusion syndrome and congenital cytomegalovirus infection Junya Nakajima Tokyo Medical University, Japan
5	25	HTN	Etiology of preeclampsia Antonio Bazarra-Fernandez A Coruña University Hospital Trust, Spain
6	31	Cardiac Evaluation	Risk of CVD and Estimation of Lipid Profiles During Pregnancy Dr. Saira Baloch Liaquat University of Medical & Health Sciences, Jamshoro, Pakistan
7	33	CAD	Incidence of Coronary Heart Disease in Pregnancy

			<p><u>Mohsin Ali Baloch</u> Liaquat University of Medical & Health Sciences, Jamshoro, Pakistan</p>
8	43	CAD	<p>Acute myocardial infarction and percutaneous coronary angioplasty in very early pregnancy Agata Leśniak-Sobelga Institute of Cardiology Jagiellonian University, John Paul II Hospital, Poland</p>
9	45	HTN	<p>Analysis on the parameters of the EuroQol- 5 D -5L among patients with Gestational Hypertension <u>Cyril James</u> Medical University Pleven, Bulgaria</p>
10	51	PE	<p>Systemic Sclerosis and risk of venous thromboembolism: A systematic review and meta-analysis <u>Narat Srivali</u> Mayo Clinic, USA</p>
11	57	Congenital	<p>Maternal Exposure to Air Pollution and Risk of Oral Clefts <u>Jinzhu Zhao</u> Wuhan Women and Children Health Care Center, China</p>
12	62	HTN	<p>The presence of enlargement of left atrium is a predictor of future cardiovascular risk in pregnancy hypertension. <u>Sonila Bele</u> Obstetric and Gynaecologic University Hospital Queen Geraldine, Albania</p>
13	76	Cardiac Evaluation	<p>Multidisciplinary team meeting: improving specialist obstetric cardiac care Anna Roberts Central Manchester University Hospitals, UK</p>

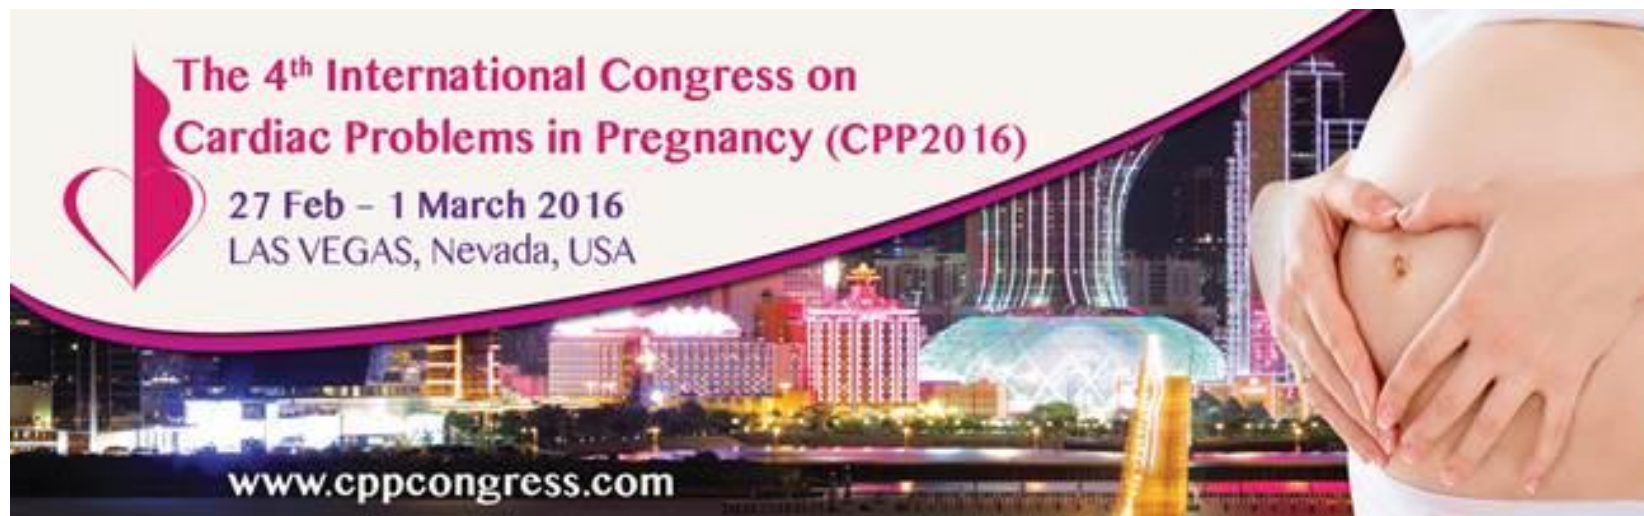

14	107	Pulmonary HTN	<p>Outcomes of pregnancy in pulmonary arterial hypertension Magdalena Kaznica-Wiatr Institute of Cardiology, Jagiellonian University, Poland</p>
15	132	Cardiac Evaluation	<p>State of central hemodynamics and sympathetic-adrenal system in pregnant women with hypertension with different weight gain during the period of gestation Yana Brytkova Moscow State University of Medicine and Dentistry named after A.I. Evdokimov, Russia</p>
16	144	PPCM	<p>Second pregnancy in a patient with PPCM in first Lidiya Jevdjic Clinical Center of Serbia, Serbia</p>
17	152	Cardiac Evaluation	<p>MicroRNAs associated with cardiac hypertrophy in third trimester of physiological pregnancy - preliminary results. <u>Ewa Szczerba</u> Medical University of Warsaw, Poland</p>
18	153	Cardiac Evaluation	<p>Essential Elements for Creating a Maternal Cardiac Care Program William Schnettler TriHealth, Cincinnati Children's Hospital Medical Center, USA</p>
19	196	Stroke General	<p>Sudden and unexpected death in pregnancy. Hormonal level a risk factor. Oswald Londono Hospital Clinic of Barcelona, Spain</p>
20	223	Cardiac	<p>Inadequate placental development - a risk factor for future cardiovascular disease</p>

		Evaluation	Georgiana Roxana Soare Bucharest University Emergency Hospital, Romania
21	233	CMP	Effects of pregnancy on hypertrophic cardiomyopathy Kaylan Haizlip University of Colorado Boulder, USA
22	241	HTN	Association between two regulators of NFkB: IKKa and IκBa and the development of preeclampsia <u>Agata Sakowicz</u> Medical University of Lodz, Poland
23	20	General	Maternal cardiac and obstetric performance in consecutive pregnancies in women with heart disease Emily Gelson Imperial College, UK
24	38	Pulmonary HTN	Pulmonary Hypertension with Coexistent Cervical Arteriovenous Malformation at 34 Weeks Gestation Eleftheria Kalogera Mayo Clinic Department of Obstetrics and Gynecology, USA
25	56	Congenital	Ozone and Other Air Pollutants and the Risk of Congenital Heart Defects Shaoping Yang Wuhan Women and Children Health Care Center, China
26	97	Imaging	Impact of restrictive physiology in pregnancy and childbirth with congenital heart disease Yumi Shiina St.Luke's International Hospital, Japan
27	126	HTN	Association between inter-arm blood pressure differences in gestational hypertension with preterm delivery and

			intrauterine growth restriction Aleksandra Ilic Institute of Cardiovascular Diseases Vojvodina, Serbia
28	173	Cardiac Evaluation	Descriptive study on Management of Cardiovascular Disease complicating pregnancy at Institute of Cardiology, National Hospital of Sri Lanka. Wijeyasingam Santharaj Institute of Cardiology, National Hospital of Sri Lanka
29	187	General	How we manage antithrombotic treatment in pregnancy high risk thrombotic situations Liliana Voto Hospital Juan A Fernandez, Argentina
30	212	Valvular	Impact of Maternal Pulmonary Insufficiency on Fetal Growth in Pregnancy L. Leduc CHU Sainte-Justine, University of Montreal, Canada
31	237	HTN	Investigation of the features of pulmonary edema in pregnancy Hironobu Hyodo Tokyo Metropolitan Bokutoh Hospital, Japan
32	250	CMP	Chagas Disease in pregnancy: Myocardiopathy and sudden death. Oswald Londono Center of advanced Medicine, Spain
33	262	HTN	The effect of maternal BMI with preeclampsia on way of terminating the pregnancy and birth weight

			Lidija Jevdjic Clinical center of Serbia, Serbia
34	283	Valvular	Aortic valve diseases in pregnancy (abstract) Sibel Enar Turkiye Hospital, Turkey
35	289	General	Outcomes of heart disease in pregnancy: An experience of a tertiary hospital in South Asia (abstract) S Gunasekera University of Colombo, Sri Lanka
36	294	Congenital	Maternal and foetal outcomes in women with congenital heart disease in Malta - a retrospective study (abstract) Maryanne Caruana Mater Dei Hospital, Malta
37	301	General	Cardiac disease and pregnancy-1 Year experience in Rawalpindi Institute of Cardiology (abstract) Rubab Munir Rawalpindi Institute of Cardiology, Pakistan
38	304	General	Congenital Heart Disease and Pregnancy, Valvular Disease and Pregnancy, Peripartum Cardiomyopathy and other Forms of Dilated Cardiomyopathies, Pulmonary Hypertension and Pregnancy, Pulmonary Embolism, Other Maternal deaths due to cardiac disease: An Institutional experience over a decade in Southern India (abstract) Ajay Halder Christian medical college, India
39	307	Great Vessels	Management of Pregnant Women with Marfan Syndrome: ALWAYS a High Risk Pregnancy (abstract)

			Merav Dvir Orgad Affiliation?
40	314	Risk Assessment	Increasing Occurrence of Cardiac Problems in Obstetrical Patients admitted into the Intensive Care Unit (abstract) Tabitha Quebedeaux Louisiana State University Health Sciences Center School of Medicine, USA
41	346	General	Mode of Delivery and Lipid Profile of Cord Blood Yun Sung Jo The Catholic University of Korea, South Korea
42	349	CMP	Non-Compaction Cardiomyopathy in Pregnancy: A Report of Two Cases initially Diagnosed as Hypertrophic Cardiomyopathy Jennifer Duffy UC Irvine Medical Center, USA
43	357	Imaging	Can the left ventricular mechanics using speckle tracking echocardiography in pregnancy predict the new onset heart failure? Krasimira Hristova National Heart Hospital and Nadejda Women Hospital, Bulgaria
44	361	Arrhythmias	Interventional arrhythmologic procedures in pregnant women have changed the history of department of arrhythmology Evgenii Kropotkin FC CVS, Russia

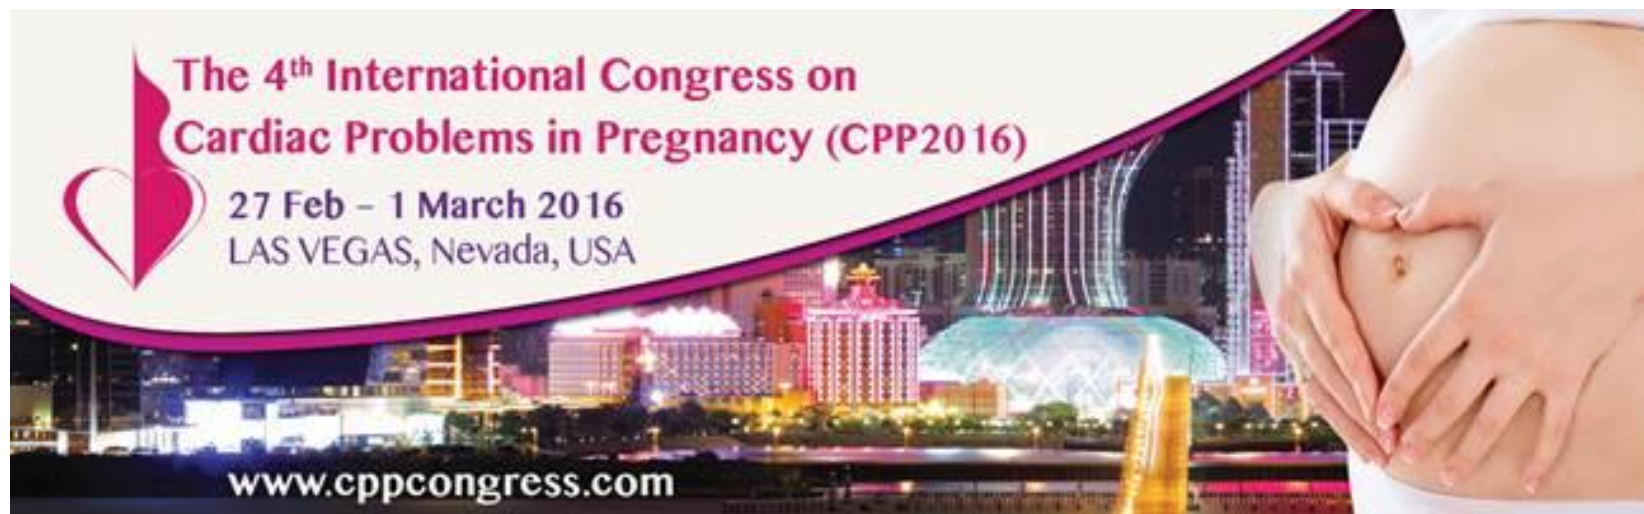

45	372	CMP	Is preeclampsia a frequent finding in peripartum Takotsubo Cardiomyopathy? Angela Kucia University of South Australia, Australia
46	374	Congenital	A cohort study of women with a Fontan circulation undergoing pre-conception counselling Matthew Cauldwell Chelsea and Westminster Hospital, UK
47	376	Labour	The management of the second stage of labour in women with cardiac disease a retrospective cohort study Matthew Cauldwell Chelsea and Westminster Hospital, UK
48	378	Cardiac evaluation	Impact of a MFM-Cardiology Joint Program on a Diverse Patient Population and Health System: An Answer to a Growing Problem Diana Wolfe Montefiore/Einstein College of Medicine, USA
49	386	General	Severe Maternal Morbidity Among Pregnant Patients Admitted To Intensive Care Unit With Cardiac Diseases In a Middle Income Country Lina Ortega Grupo de investigación en Cuidados Intensivos y Obstetricia (GRICIO), Gestión Salud Clinic, Colombia
50	317	Imaging	Chest Pain in an Antenatal Patient-not to be dismissed Sarah Vause St Mary's Hospital, Central Manchester Foundation Trust, UK
51	323	Cardiac	Novel collaborative cardiology and maternal fetal medicine practice - continued experience at the Heart and

		Evaluation	Pregnancy Program Joanne Quinones Lehigh Valley Health Network, USA
52	329	Cardiac Evaluation	Cardiac Anxiety in Patients with Peripartum Cardiomyopathy Lindsey Rosman East Carolina University and Brown University, USA
53	400	General	Malignant tumour of the right atrium in a pregnant woman - first manifestation by paroxysmal atrial fibrillation Anna Kania Medical University of Lublin, Poland
54	403	Preeclampsia	Distribution of Cardiovascular Risk Factors Among Patients with Preeclampsia and Gestational Hypertension Vilma Dzenkeviciute Vilnius University, Lithuania
55	407	Congenital	Outcome of pregnancy and delivery of a patient with atrial and ventricular septal defects, associated with biliary atresia Cezar Alencar de Lima Rezende UNIMED Hospital, Brazil
56	407	Congenital	Pregnancy outcome in patients with uncorrected congenital heart disease - An Indian study. Karishma Bhatia Maulana Azad Medical College, India
57	426	Pulmonary Hypertension	Pulmonary Hypertension and pregnancy outcome: Data from the Cardiac Disease in Maternity Groote Schuur Cohort Study

			Wentzel Dowling Hatter Institute for Cardiovascular Research in Africa & IDM, South Africa
58	430	General	Morphometrical analysis of intervillous space and villous membrane thickness in maternal anaemia Nazma Kiran National University of Sciences and Technology, Pakistan
59	439	Valvular	Mechanical prosthetic heart valves: the experience in Sant'Anna Hospital - Turin - Italy Valentina Donvito AOU Città della Salute e della Scienza, Italy
60	440	General	Establishing multidisciplinary care for women with heart disease and pregnancy: Experience at a tertiary center Aikaterini Zamprakou University Bonn Medical School, Germany
61	447	General	Neonatal and maternal factors associated with postnatal cardiac function changes in macrocosmic newborns Samuel Leung New York Methodist Hospital, USA
62	491	Congenital	Brain Natriuretic Peptide Levels as a Potential Index Discriminating the High Risk Pregnancy with Congenital Heart Disease Nao Konagai National Cerebral and Cardiovascular Center, Japan
63	538	Aorta and Great Vessels	Management of Ascending Aortic Aneurysm with Bicuspid Aortic Valve in Pregnancy Cindy Chau University of California, Irvine, USA

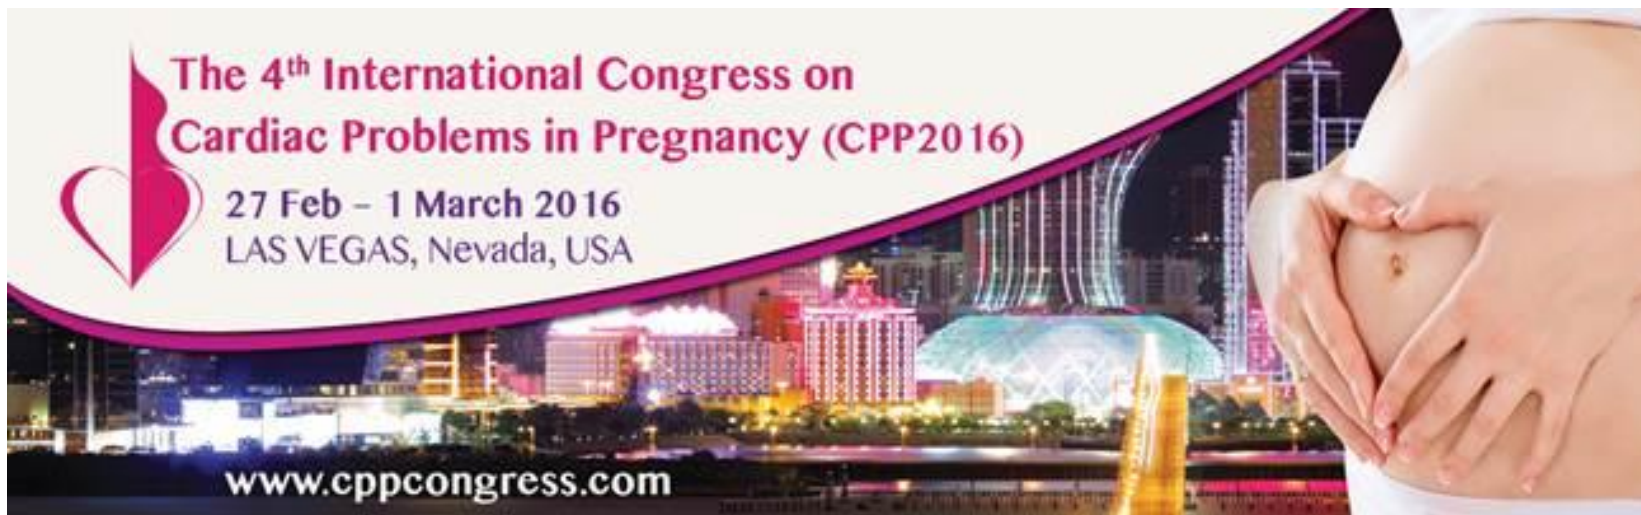

64	544	Congenital	Outcome of pregnancies complicated by adult congenital heart disease: experience from a new obstetric-cardiology service at a tertiary referral centre Bara Erhayiem Nottingham University Hospitals NHS Trust, UK
65	545	PPCM	Use of antenatal bromocriptine for recurrent peripartum cardiomyopathy Bara Erhayiem Nottingham University Hospitals NHS Trust, UK
66	546	Congenital	Late maternal death in women with a congenital heart disease: a report of two cases from a tertiary care centre in the Netherlands Oliver van der Heijden Radboud University Medical Centre, The Netherlands
67	573	PPCM	Pregnancies within one year after severe peripartum cardiomyopathy: A report of two cases Ngoc-Chi Tu ¹ University Bonn Medical School, Germany
68	584	Congenital	Pregnancy in GUCH: the crucial role of multidisciplinary approach. Single-center experience. Maria Grandinetti Catholic University, A. Gemelli Hospital, Rome, Italy
69	585	Risk assessment	Influence of maternal cardiopathy in perinatal results of twin pregnancies Fernanda Ramos Faculdade de Medicina da Universidade de São Paulo, Brazil
70	587	Heart Failure	Management of acute peripheral cardiac decompensation concomitant to thyroid cancer and autoimmune

			<p>thyroiditis Sandra Eifert Ludwig Maximilians Universität München and ²Universitätsklinikum Leipzig, Germany</p>
71	588	Coronary artery disease	<p>Ischaemic heart disease and pregnancy - A review of risk estimation and preventative strategies in the UK Anenta Ramakrishnan Barts Health, UK</p>
72	589	PPCM	<p>Postpartum Cardiomyopathy Complicated by New Therapy for Psoriasis Causing Refractory Heart Failure and Severe Cardiomyopathy Shailendra Singh North Shore - LIJ Hofstra School of Medicine, USA</p>
73	590	PPCM	<p>Weighing the Risk of Relapse into Cardiac Failure: Decision-Making for a Subsequent Pregnancy by Women with Peripartum Cardiomyopathy: A Qualitative Study Rosanna Hess Research For Health Inc and Malone University School of Nursing & Health Sciences, USA</p>
74	599	Congenital	<p>Fertility and complications in pregnancy and delivery in grown up women with congenital heart disease compared to healthy controls Daniela Malliga Medical University of Graz, Austria</p>
75	600	Arrhythmias	<p>Complete congenital heart block in a pregnant woman: a complicated case Margaret Dziadosz New York University Langone Medical Center, USA</p>

76	606	Valvular	Pregnancy Outcomes of Women with Prosthetic Heart Valves at University Hospital of the West Indies (UHWI) Nadine Johnson University of the West Indies, Jamaica
77	608	Coronary artery disease	Pediatric-Onset Coronary Disease in Pregnancy: A Single-Centre Experience and Systematic Literature Review Michelle Keir University of Toronto, Canada
78	612	Congenital	Double Chamber Right Ventricle in a Pregnant Woman Mina Owlia, Catherine Weinberg New York University Medical Center, USA
79	618	Risk assessment	Pregnancy outcomes in women with moderate to severe cardiac disease Robin Thurman University of Toronto, Mount Sinai Hospital, Canada
80	621	Arrhythmias	Complete Heart Block Diagnosed in Pregnancy Christina Paruthi The University of Texas Health Science Center at Houston, USA
81	627	Congenital	A unique case of selective thrombolysis in the management of life threatening veno-thromboembolism (VTE) in a post-partum patient with Fontan circulation. Aarthi Sabanayagam University of California San Francisco (UCSF), USA
82	628	Valvular	A case of acute pulmonary edema in early pregnancy secondary to unrecognized rheumatic heart disease.

			Jonathan Windram University of Alberta, Canada
83	632	Coronary artery disease	Pregnant women with STEMI Anastasia Kochergina Research institute of complex issues of cardiovascular diseases, Russia
84	637	Valvular	Balloon mitral valvuloplasty in pregnants Zufarov Mirjamal Republic Specialized Center of Surgery named academician V.Vakhidov, Uzbekistan
New Abstracts			
	390	PPCM	Shared Genetic Etiology of Peripartum and Dilated Cardiomyopathies <i>Invited lecture</i> Zolt Arany University of Pennsylvania, USA
	625	Aorta and great vessels	Case: The Toll of Takayasu`s <i>Invited lecture</i> Alan John, Uri Elkayam University of southern California, Los Angeles.
