ESC Webinar : Key messages from the guidelines on myocardial revascularisation

17 January 2019

has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists.

ESC Webinar : Key messages from the guidelines on myocardial revascularisation is designated for a maximum of, or up to 1 European CME credits (ECMEC).

Olga Lebedeva

Professor Paulus Kirchhof
Webinar Course Director

Each medical specialist should claim only those credits that he/she actually spent in the educational activity. The EACCME is an institution of the European Union of Medical Specialists (UEMS), www.uems.eu.

International recognition of EACCME Credits

Europe: UEMS-EACCME has signed agreements of recognition of EACCME credits with the following countries in Europe: Austria, Belgium, Croatia, Cyprus, Finland, Georgia, Greece, Hungary, Ireland, Regione Lombardia, Luxembourg, Malta, Norway, Poland, Romania, Slovakia, Slovenia, Spain, Sweden, Turkey and United Kingdom. USA: Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits. Information on the process to convert EACCME credits to AMA credits can be found at www.ama-assn.org/education/uemseaccme-cme-credit-recognition.

Canada : Live educational activities occurring outside of Canada, recognised by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.
