for Continuing Medical Education (EACCME) to provide
the following CME activity for medical specialists.

Symposium of the International Atherosclerosis Society "Anitschkow Days"
is designated for a maximum of, or up to **15 European CME credits** (ECMEC).

We herewith confirm that the below mentioned participant has been accredited
the following number of CME credits: **15**.

Alexandra Kosinova

Richard Ceska, MD, PhD, FACP, FEFIM

Professor of Internal Medicine

Secretary of the International Atherosclerosis Society

Chair of the Programme Committee of the IAS 2016 Symposium

Each medical specialist should claim only those credits that he/she actually spent in the educational activity. The EACCME is an institution of the European Union of Medical Specialists (UEMS), www.uems.net. Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits". Information on the process to convert EACCME credit to AMA credit can be found at www.ama-assn.org/go/internationalcme. Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada.
