

EBAC CERTIFICATE OF ATTENDANCE

The European Board for Accreditation in Cardiology (EBAC) has granted

Assistant Professor Valery IONIN

1 external CME credits for participation in the

EHRA Webinar on Periprocedural anticoagulation during AF Ablation

taking place on 25 February 2016

EHRA Webinar on Periprocedural anticoagulation during AF Ablation Course
has been accredited by EBAC for 1 hour of external CME credit

Each participant should claim only those hours of credit that have actually been spent in the educational activity. EBAC works according to the quality standards of the European Accreditation Council for Continuing Medical Education (EACCME), which is an institution of the European Union of Medical Specialists (UEMS).

Professor Jose Luis Merino
EHRA webinar course director

The EHRA Webinar on Periprocedural anticoagulation during AF Ablation has been accredited by EBAC for 1 hour of external CME credits. Each participant should claim only those hours of credit that have actually been spent in the educational activity.

The European Board for Accreditation in Cardiology is responsible for Accreditation of international CME programmes in cardiology for the European medical community. EBAC is one of the European Specialty Accreditation Boards (ESAB) of UEMS and belongs to ECSF (European Cardiology Section Foundation), a foundation of UEMS - Cardiology Section.

List of institutions officially recognising the competence of EBAC in international accreditation:
CardioVasculair Onderwijs Instituut (NL), Österreichische Akademie der Ärzte (AT).
