

EACCME
European Accreditation Council for Continuing Medical Education
Certificate

ESC Congress 2016
Rome, Italy, 27-31 August 2016

has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists.

ESC Congress 2016
is designated for a maximum of 27 European CME Credits (ECMEC)

Mrs Alexandra KOSINOVA

is awarded 27 European CME credits (ECMEC) for participating to the above mentioned event

Congress Programme Committee Chair
Geneviève Derumeaux, FESC

Each medical specialist should claim only those credits that he/she actually spent in the educational activity. The EACCME is an institution of the European Union of Medical Specialists (UEMS), www.uems.net. Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME credits to AMA credits can be found at www.ama-assn.org/go/internationalcme. Live educational activities occurring outside of Canada, recognised by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.
