# VIII GLOBAL EDUCATIONAL FORUM

## “RUSSIAN CARDIOVASCULAR DAYS”

ALMAZOV NATIONAL MEDICAL RESEARCH CENTRE  
(SAINT-PETERSBURG, 2 AKKURATOVA ST.)

APRIL 22–24, 2021

[WWW.SCARDIO.RU](http://WWW.SCARDIO.RU)

## DEAR COLLEAGUES!

After the success of the previous meetings we are pleased to announce that the **VIII Global Educational Forum “Russian Cardiovascular Days” will be held in Saint-Petersburg on April 22-24, 2021**. Interactive programme of the Forum includes clinical case discussions in the light of the latest ESC guidelines as well as lectures on the modern problems of cardiology. Leading Russian and European experts will discuss the most challenging issues and interact with the audience.

Different topics on chronic coronary artery disease, supraventricular arrhythmias, thromboembolia of pulmonary artery, heart failure and difficult clinical cases will be raised. Also Russian and foreign opinion leaders will update the knowledge of the audience on application of innovative surgical and medical treatment of CVD. In the current circumstances a special focus will be made on the management of cardiovascular patients in the COVID-19 era.

We hope that the programme will be interesting for a wide range of specialists and students.

Look forward to see you all in Saint-Petersburg!

### **Co-chairs of the Scientific Committee:**

Professor M. Komajda (France)

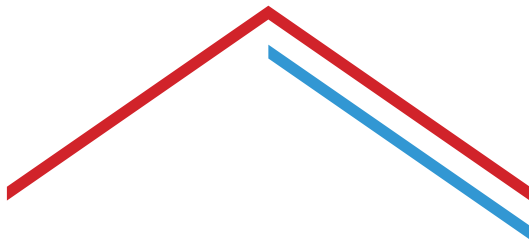

Professor E. Shlyakhto (Russia)

### **Scientific and Organizing Committee:**

Prof. Olga Bolshakova (Russia)

Prof. Alexandra Konradi (Russia)

Prof. Alexander Nedoshivin (Russia)

## PRELIMINARY SCIENTIFIC PROGRAMME

THURSDAY, APRIL 22

| PAVLOV HALL |   |                                     |
|-------------|---|-------------------------------------|
| 17.00–18.00 | OPENING SESSION                           |                                     |
| 17.00–17.10 | Welcome address.                          | Evgeny Shlyakhto,<br>Michel Komajda |
| 17.10–17.30 | e-Health in Russia:<br>where do we stand? | Alexandra Konradi                   |
| 17.30–17.35 | Q&A                                       |                                     |
| 17.35–17.55 | Imaging in Cardio-Oncology.               | Jeroen Bax                          |
| 17.55–18.00 | Q&A                                       |                                     |

FRIDAY, APRIL 23

| PAVLOV HALL |   |                       |
|-------------|---|-----------------------|
| 09.00–09.30 | <b>MORNING LECTURE</b><br>Chairperson: Simon Matskeplishvili)                                       |                       |
| 09.00–09.20 | Most important innovations<br>in Cardiology in 2020.  | Jeroen Bax            |
| 09.20–09.30 | Comments.   | Simon Matskeplishvili |
| 09.30–10.30 | <b>HIGHLIGHTS OF THE ANNUAL ESC MEETING 2020(I)</b><br>Chairpersons: Dmitry Lebedev, Martine Gilard |                       |
| 09.30–09.50 | Arrhythmias.  | Cecilia Linde         |
| 09.50–10.00 | Comments.   | Dmitry Lebedev        |
| 10.00–10.20 | Imaging.  | Victoria Delgado      |
| 10.20–10.30 | Comments.   | Simon Matskeplishvili |
| 10.30–10.45 | Break   |                       |

|   |  |                      |
|---|--|----------------------|
| 10.45–12.35                               | NEW ESC GUIDELINES<br>Chairpersons: Sergey Nedogoda, Cecilia Linde                 |                      |
| NON ST ELEVATION MYOCARDIAL INFARCTION    |  |                      |
| 10.45–10.55                               | Clinical case.   | Sergey Nedogoda      |
| 10.55–11.10                               | What do guidelines say?  | Jean Philippe Collet |
| 11.10–11.20                               | Q&A  |                      |
| PULMONARY EMBOLISM                        |  |                      |
| 11.20–11.30                               | Clinical case.   | Olga Moiseeva        |
| 11.30–11.45                               | What do guidelines say?  | Victoria Delgado     |
| 11.45–12.00                               | Q&A  |                      |
| ATRIAL FIBRILLATION                       |  |                      |
| 12.00–12.10                               | Clinical case.   | Elena Golukhova      |
| 12.10–12.25                               | What do guidelines say?  | Cecilia Linde        |
| 12.25–12.35                               | Q&A  |                      |
| 12.35–14.00                               | Break  |                      |
| 14.00–15.30                               | INNOVATIVE THERAPIES IN CARDIOLOGY<br>Chairpersons: Mikhail Gordeev, Cecilia Linde |                      |
| CAN WE PERFORM TAVI IN LOW RISK PATIENTS? |  |                      |
| 14.00–14.15                               | The surgeon’s point of view.   | Mikhail Gordeev      |
| 14.15–14.30                               | The structural cardiologist’s point of view.                                       | Martine Gilard       |
| 14.30–14.45                               | Q&A  |                      |
| ABLATION IN ATRIAL FIBRILLATION           |  |                      |
| 14.45–15.00                               | For whom?  | Cecilia Linde        |
| 15.00–15.15                               | When? With which results?  | Evgeny Mikhailov     |
| 15.15–15.30                               | Q&A  |                      |
| 15.30–15.45                               | Break  |                      |

|                    |   |                     |
|--------------------|---|---------------------|
| <b>15.45-17.20</b> | <b>HIGHLIGHTS OF THE ANNUAL ESC MEETING (II)</b><br>Chairpersons: Alexandra Konradi, Martin Cowie |                     |
| 15.45–16.00        | Heart failure.  | Michel Komajda      |
| 16.00–16.10        | Comments.   | Svetlana Villevalde |
| 16.10–16.30        | Intervention/ACS.   | Martine Gilard      |
| 16.30–16.45        | Comments.   | Oleg Averkov        |
| 16.45–17.10.       | Prevention.   | Stephan Gielen      |
| 17.10–17.20        | Comments.   | Alexandra Konradi   |

## SATURDAY, APRIL 24

| PAVLOV HALL  |  |                        |
|--|--|------------------------|
| 10.00–11.15  | NOVEL THERAPIES IN HEART FAILURE WITH REDUCED EJECTION FRACTION<br>Chairpersons: Alexandra Konradi, Michel Komajda |                        |
| 10.00–10.15  | Sacubitril / Valsartan.  | Maria Sitnikova        |
| 10.15–10.30  | Sodium glucose cotransporter inhibitors.   | Petar Seferovic        |
| 10.15–10.30  | Vericiguat & omecamtiv mecarbil.   | Svetlana Villevalde    |
| 10.45–11.00  | Which optimal combination?   | Michel Komajda         |
| 11.00–11.15  | Panel discussion led by Alexandra Konradi  |                        |
| 11.15–11.55  | INNOVATIONS IN CARDIOLOGY<br>Mikhail Gordeev and Bernard lung  |                        |
| STRUCTURAL CARDIOLOGY FOR MITRAL AND TRICUSPID REGURGITATION |  |                        |
| 11.15–11.30  | The cardiologist’s point of view.  | Bernard lung           |
| 11.30–11.45  | The surgeon’s point of view.   | Alexander Chernyavskiy |
| 11.45–11.55  | Q&A  |                        |
| 11.55–12.10  | Break  |                        |

|                    |   |                                     |
|--------------------|---|-------------------------------------|
| <b>12.10–13.10</b> | <b>CLOSING LECTURES</b><br>Chairpersons: Evgeny Shlyakhto, Michel Komajda |                                     |
| 12.10–12.30        | Artificial intelligence in medicine: progress or threat?                  | Martin Cowie                        |
| 12.30–12.40        | Q&A   |                                     |
| 12.40–13.00        | New tools in cardio vascular research: what the cardiologist should know? | Evgeny Shlyakhto                    |
| 13.00–13.10        | Q&A   |                                     |
| <b>13.10–13.20</b> | <b>CLOSING REMARKS.</b>   | Evgeny Shlyakhto,<br>Michel Komajda |

## ABSTRACTS

**NOTE! Deadline for abstract submission – March 1, 2021. We kindly ask you to submit your abstracts in advance. Abstracts received after the deadline will not be taken for consideration.**

Abstract submission requirements are available at [www.scardio.ru/en](http://www.scardio.ru/en). To submit an abstract please send the paper to [rsc@scardio.ru](mailto:rsc@scardio.ru).

All abstracts are reviewed by the Abstract Committee. Abstracts are published free of charge. After review you will be informed on the status of the abstract. The Abstract Committee reserves the right to decline the abstract without no reason given.

**NOTE! Abstracts are not subject to editorial changes.**

Authors of abstracts will be able to present E-posters.

## REGISTRATION

Online registration is opened on the Russian Society of Cardiology website [www.scardio.ru/en](http://www.scardio.ru/en) until **April 15, 2021**. After that registration is available only on site.

Early-bird registration fee until March 1, 2021 is 75 EUR.

After March 1, 2021 registration fee is 100 EUR.

Special offers and discounts are provided for group registraion. Please contact [rsc@scardio.ru](mailto:rsc@scardio.ru) to learn more.
